TERMS AND CONDITION

1. The term “**Company (or) BL**” wherever mentioned in the tender document refers to “**BALMER LAWRIE & CO. LTD.**”
2. The term “**bidder**” means the firm or company with whom the order is placed and shall be deemed to include the bidder, successors, representatives, heirs, executors and administrators duly approved by the company.
3. Period of Supply: **Within 45 days from the date of receipt of our Purchase order.**
4. Quantity mentioned indicative and is subject to change depending upon market conditions.
5. The offer shall be submitted in our enquiry format only and any conditional offers will not be accepted.
6. The offer must be kept valid for a minimum period of **60 Days from** the date of opening the offer.
7. The price quoted by the bidder shall remain valid till the supply is completed. During the tenure of the supply period, no price increase will be considered, except for change in statutory levies imposed by Union / State Govt. / Local authorities.
8. Payment: **30 days from the date of receipt of material at our Stores.**
9. **Penalty Clause:** Any failure on the part of the vendor to supply the material as per the delivery schedule, required quantity, approved quality etc. will be viewed seriously. Further, the company reserves the right to procure the material from the local market at the then prevailing price and the additional cost if any incurred in this process will be recovered from the vendor. Also the vendor may be debarred from participating in future tenders of the company.
10. The bids of any bidder may be rejected if a conflict of interest between the bidder and the Company is detected at any stage.
11. Late tenders / delayed tenders including postal delay and those not conforming to the prescribed terms and conditions will not be considered at all.
12. The company would not carry out any negotiations except with such bidders who is / are the lowest quoted bidders originally. As such it would be in the interest of the bidders to quote the lowest possible rate.
13. It shall be understood that every endeavor has been made to avoid error which may materially affect the basis of the tender and the successful bidder will take upon himself to provide for risk of any error which may subsequently be discovered and shall make no subsequent claim on account thereof.
14. **ARBITRATION:** Any dispute or difference arising under this Contract shall be referred under jurisdiction of Chennai to a sole arbitrator to be appointed by the Chairman & Managing Director, Balmer Lawrie & Co. Limited and the provisions of Arbitration and Conciliation Act, 1996 including any statutory modifications or enactment thereof shall apply to the Arbitration proceedings. The fees of the arbitrator, if any, shall be shared equally by both the parties. The award shall be a speaking award stating reason therefor and is final and binding on the parties. The proceeding shall be conducted in English language and courts at Chennai will have exclusive jurisdiction to settle any dispute arising out of this contract.

Scope of Work:

1. Collecting the frame and the cylinder of the machine from our plant. The tenderer has to make arrange for collecting these material from our plant and BL would not send the material to the successfully tenderer.
2. Providing two suitable chuck plates approx. Dia 650mm (LH and RH side) of 25mm thickness and fitted with rubber pads (of 35mm thickness) for holding the shell for airtightness.
3. Providing suitable links for connecting the LH side chuck plate to the pneumatic cylinder along with suitable bush bearing, brackets and supports, for to and fro movement of cylinder along with chuck plate.
4. Providing suitable brackets on RH side chuck plate along with the holding shaft fitted at the Centre and the shaft and chuck plate should have through hole of 1/2" Dia $\frac{3}{4}$ " BSP tap hole at end of the shaft for providing air supply to the shell.
5. Assembling all the above in the frame (after cleaning) and painting the same with two coat of green paint.
6. Providing 4 nos of 100 mm Dia 20mm thick rollers & brackets for shell coating purpose at the Centre of the 2 machines.
7. The tenderers are requested to visit our plant on any working day between 10 am to 4 pm and see the existing machine which is in operation and take the dimensions where ever required/available for carrying out the above refurbishment job. It may be noted that no individual drawing of the sub-assemblies are available and the same has to be taken by the tenderers.
